### **COVID 19 Hunt Test Information**

These guidelines may be altered or amended before the test, as per current PHO recommendations.

- Parking - Please leave more space between your vehicles, *within reason*.
- All participants need to bring ALL their own supplies.
- Please remove your own garbage. There will not be a garbage bin.
- Practice social distancing. Maintain a MINIMUM of 2 meters distance between you and other participants, *at all times*. Don't be offended if someone reminds you to step back! Be mindful when speaking to others.
- We will have wash stations near the running lines for each stake, but please bring your own water and soap and hand sanitizer, for your convenience.
- All judges, workers and handlers should use proper hand washing, be conscious of respiratory etiquette and avoid borrowing others equipment.
- You are welcome to wear a mask. Masks are our best line of defense against COVID 19. Masks may be removed at the line. The judges will ensure that they are well back of the handler, when the whistle or duck calls are being used.
- Do not shake hands or give hugs!
- There will be a designated area for airing your dogs. Please pick up after your dog, especially in any parking areas or along the road where the public walks. There will be moving vehicles, so please keep your dogs on leash.
- Please avoid petting other people's dogs.
- There will be a designated area for the gallery. Please maintain the 2 meters distance from anyone who is not in your household or in your social bubble.
- If you have any questions, they must be directed to the Marshal. Please do not come to talk to the judges at the line.
- While the test dog is running, please be very conscious of not crowding the line. Individually, you can come up to the running line to look at the test. Please wait your turn and do not move to the line until the previous person is over 2 meters away.
- Please bring your own duck calls, for use at the line. *Absolutely no sharing*.
- The handlers will place the bird in a pail or on a bird rack. Judges will not take them from the handlers. The judge will check the condition of each bird, after the handler has left the line.
- If you are Marshalling, or might be gunning, please bring all your own supplies, such as radios, ear protection, pistols (209 shot will be supplied). Please do not share.
- Please be sure to pick up and take ALL your belongings at the end of the day. It is imperative that personal items not be left behind.

Thank you to Peter Fargey and Ross Bay Home Hardware for providing additional hand sanitizer for our event

**~ Be kind, be calm, and be safe ~**
