Dogs who leave the ring or catch area NOT under control after their run may be given a verbal warning and/or faulted -- from 5 faults to an E -- at the judge's discretion.

NOTICE TO COMPETITORS

Competitors, through submission of entry, acknowledge that they are knowledgeable AAC rules and regulations including, but not limited to, the following rules regarding entry:

- **Bitches in season are not permitted** to compete in these trials. Where a bitch comes into season after the entry of the bitch has been submitted, a Veterinarian's certificate, certifying the bitch was in season within the 10 day period preceding the Trial must reach the Trial Secretary on or before the date of the Trial, whereupon the entry fees will be refunded.
- **All dogs must be registered with AAC to compete in the agility trial.** It is your responsibility to provide the Trial Secretary with your dog's AAC number prior to the closing date or your entry will be rejected.
- **Safety** shall always be of foremost consideration in actions and conduct by handlers at all times. Handlers, through entry at this event, accept full responsibility for themselves and the actions of their dogs.
- **Obstacles and stations** shall be chosen from those described in the rules and regulations of the AAC and shall conform to this organization's specifications.
- It is expressly understood that competitors alone are responsible for the behaviour of their dogs and/or children. Any competitor whose dogs and/or children create an unnecessary disturbance or repeatedly engage in unsafe or disruptive behaviour may be asked to leave. NO REFUND of fees will be paid.
- All dogs must be penned, crated or on leash when not in the ring. **All dogs must be under control when they leave the ring after their run.** Any dog engaging in aggressive or out of control behavior when leaving the ring will be disqualified and/or required to leave the trial site. NO REFUND of fees will be paid.
- Exhibitors must keep crate and exercise areas clean. Please pick up after yourself and your dogs. We need to keep this great venue available for future dog events!
- There will be no refund after the closing date for dogs that are withdrawn, with the exception of bitches in season or sick/injured dogs if the Trial Secretary is notified prior to the trial date and provided with a vet's certificate.
- Trial organizers reserve the right to refuse any entry and if an exhibitor must be asked to leave the show grounds for any reason, they will not be issued a refund.

All competitors are expected to volunteer during the trial. These trials cannot happen without your ongoing support as volunteers. We are GRATEFUL for your help!

AAC RULES and CLASS DESCRIPTIONS

For a complete description of the AAC rules, regulations, performance guidelines, explanation of classes, etc. go to: <http://www.aac.ca>

Classes shall be scored under the provisions of Chapter 3 of the Agility Association of Canada [AAC] Rules and Regulations. Find the official descriptions, rules, and your dog's trial results to date at the [AAC website](#).

Starters Level: The Starters level class is for dogs that have not earned the Agility Dog of Canada [ADC] title. A dog must achieve 3 qualifying Starters Standard runs under two different judges to be awarded the ADC title.

Advanced Level: The Advanced level class is for dogs that have earned the Agility Dog of Canada [ADC] title, but not the Advanced Agility Dog of Canada [AADC] title. A dog must achieve 3 qualifying Advanced Standard runs under two different judges to be awarded the AADC title.

Masters Level: The Master level class is for dogs that have earned the Advanced Agility Dog of Canada [AADC] title. A dog must achieve 3 qualifying Masters Standard runs under two different judges to be awarded the MADC title.

Special Classes: These classes are open to all dogs but are intended for dogs where -- for any reason the handler elects -- it is best for the dog to jump one jump height lower than the dog would at its regular jump height. A dog may no longer compete in Regular titling classes after being entered at an official trial in any Special class, except that they may move to Veterans.

Veterans Classes: These classes shall be for dogs seven years of age or older, or for dogs five years of age or older who have competed in the Specials Agility Classes for a minimum of one calendar year. A dog may no longer compete in Regular titling classes after being entered at an official trial in any Veteran class.

Junior Handlers: Each handler requires a Junior Handler ID card. The Junior Handler program is open to all children up to and including 17 years of age, and is designed to encourage youth enjoyment of the sport of agility. Junior handlers will use the same Standard/Advanced/Masters course (appropriate for their level) as the regular competitors, except some things will be judged differently, and junior handlers are eligible for certificates of accomplishment upon completion of each level. Children do not have to use this program -- they may compete as a regular competitor, but if they do enter this trial under the Junior Handler program, they may **not** (at this trial) run a dog in the regular events as well.

Standard Runs: In a Standard run the dog and handler complete a flowing course demonstrating an ability to perform all obstacles and handle a sequence with changes of side and challenges.

Gamblers Runs: This game demonstrates the handler's strategy and the dog's ability to work at a distance from their handler. The object of the game is to accumulate as many points as possible during the opening sequence and successfully complete the distance sequence, the Gamble.

Snooker Runs: This game demonstrates the handler's and dog's versatility as they work together. The object of this game is to accumulate as many points as possible by successfully completing as many obstacles as possible in the prescribed order.

Jumpers Runs: This game demonstrates a dog's natural jumping ability. The dog is required to complete a course comprised of jumps and tunnels.

Steeplechase Runs: This game is offered at only one level, but is open to dogs at all agility levels [Starters, Advanced, Masters]. It demonstrates the dog's ability to run and jump at high speeds while maintaining control on the A-frame and weave poles.

Dog Jump Height Divisions:

Shoulder Height of Dog	Height Division	Shoulder Height of Dog	Height Division
12 inches or less	10 inches	Over 16 & up to and including 21 inches	22 inches
Over 12 & up to and including 16 inches	16 inches	Over 21 inches	26 inches
