IMPORTANT NOTICES

**TO ALL EXHIBITORS and VENDORS
FROM THE MANAGEMENT OF HERITAGE PARK**

- 1) Due to the ongoing problem in the grooming area with exhibitors continuing to pour buckets of wash water into the garbage barrels, mixed with dog fecal matter and urine, makes it very unpleasant for the custodial staff as the bags are leaking and breaking open when being changed. Our resolution to this problem will be to remove the garbage barrels and place a 4 yard dumpster on the south end of the grooming area for the participants to use.
- 2) To the vendors – cardboard is not to be left on the floor at anytime. There is a large cardboard recycling bin located on the south end of the building between floor 1 and 2. Please ensure you that you place all cardboard in the recycling bin.
- 3) Parking is still a continuing problem – There is NO PARKING permitted within 6 meters of the buildings, in front of the fuel tank (east side of building), the North and South side of the storage building behind the main building, in front of the fire hydrants, in Handicapped parking (if an approved sign is not displayed) and on the south of floor 1 which is Concession Staff parking only. Effective October 30, 2006 Heritage Park will be working with a local towing company to patrol the lot and will have vehicles removed that are in violation of the no parking areas. Additional signage has been put in place with the name and contact number of the towing company.
