Event registration number (ERN): All dogs that are foreign born and foreign owned that enter Canada for the sole purpose of entering CKC events, will no longer require a CKC registration number but will require an Event Registration Number. The ERN number **MUST** be applied for within 30 days of the first day of entering a CKC event. Please visit the CKC website for further details.

Temporary Competition Number (TCN): As of March 2, 2020, all owners of unregistered, CKC recognized breeds, entering events are required to obtain a TCN. TCNs replace the previous system of entering dogs as Listed and allows dogs to temporarily participate in CKC events while they pursue permanent registration or an Event Registration Number (ERN). A TCN must be obtained before submitting an entry for an event. The same TCN must be used for all event entries for a dog until the dog is permanently registered or has an ERN. A TCN cannot be used for Listed Breeds with a Miscellaneous Competition Number (MCN) or dogs that *will* require a Performance Event Number (PEN) or Canine Companion Number (CCN). Please visit the CKC website for further details. Or call Shows and Trials Division 1-855-364-7252

A Temporary Competition fee as established by the Canadian Kennel Club must accompany the entry of a dog for which a Canadian Kennel Club individual registration number or Event Registration Number (ERN) is not shown on the entry form.

Performance Event Number (PEN): Allows an unregistrable dog of a CKC recognized or listed breed to participate in competitive events that are appropriate for the breed. Those events are as follows: Obedience Trials, Rally Obedience Trials, Tracking Tests, Herding Trials, Draft Dog Tests, Agility, Lure Coursing, Earthdog Tests, Hunt Tests, Working Certificate Tests Pointing Field Dog Tests, and Chase Ability. Please note that eligibility for entry into some performance events is dependent on the breed. This restriction shall also apply to dogs with ILP numbers. Please visit the CKC website for further details.

Alternate List: When the advised limit has been reached all remaining entries shall be assigned a position on an "Alternate List" in the order they are drawn in the Entry Draw after closing.

- At the time of the draw for tracks on test day, any entries from the alternate list may fill any absentee spaces.
- The person making the entry shall be notified of their position on the Alternate list. Entries will be refunded within ten days of the tracking test to those on the alternate list who did not participate in the test.
