All dogs with bird work will be shot over with blank cartridges on game contact. Released birds will be quail, chukar, pheasant and/or pigeons. Any FD/FDA/FDX dog encountering native game birds on the course must point, a shot must be fired and will be judged according to their test level. Dogs will be run individually for FDJ and FD tests and braced for FDA & FDX. All tests are walking tests (foot-handled) only.

Birds used for the WDJ Test will be either chukar or pigeons.

COLLARING at ALL test levels is permitted only with permission of the Judge. (Per CKC: Ch. 10.1.11, 10.2.9, 10.3.10, 10.4.13)

CKC, Chapter 18.7: It shall be the duty and obligation of the event-giving club to see that a judge, official, volunteer or competitor at a Field Dog Test is not subject to indignities. NO SMOKING IS PERMITTED OUTSIDE OF YOUR VEHICLE. NO OPEN FLAME PERMITTED AT TEST SITE.

CKC NON-MEMBER PARTICIPATION FEE: A non-member participation fee will be charged to Canadian-resident owners who are not members of the CKC. For co-owned dogs, the fee does not apply if one of the co-owners is a CKC member. This applies only to Canadian residents.

For the dog to receive a title, the non-member has a choice to either become a CKC member or pay the annual non-member participation fee. Failure to do so within 30 days of notification, will result in awards and titles being withheld – and the dog cannot be moved up to the next test level.

GENERAL INFORMATION:

- Vizsla Canada reminds all participants and spectators that there will be no **exercising or training** of any dogs on the grounds before, during or the day the test is completed without the permission of the Field Test Chairman or Field Test Secretary. **Access to the grounds before or after the weekend is NOT permitted. Anyone utilizing the site without permission will be banned from future events as will any dogs they own or co-own.**
- Vizsla Canada reserves the right to **limit entries** to the available test hours and, if necessary, to rearrange the running order.
- **Day of test entries** will be accepted if the schedule and bird numbers allow. Such entries must be presented to the Test Secretary no later than 1 hour before the scheduled start time for that test along with an additional fee of \$10.00.
- The duty of having a **dog ready in place when required** for judging rests solely with its handler or owner. If a dog is not present at the start line within 5 minutes after it is called for by the judges to run, it must be disqualified. The judges are responsible for keeping the time.
- No dog shall be **picked up** during a test except with permission from the judge.
- All participants must be familiar with the **CKC Rules** and also the rules and provisions of this Premium List. CKC 2017 Field Dog & Water Tests rulebooks are available from the CKC or online at the CKC website for CKC members.
- Vizsla Canada recommends participants & spectators wear a **blaze orange** coat or vest when on the course.
- **Bitches in season** may run at the end of the last test level scheduled for each day. After bitches in season have been run, no other dogs will be run on the course until the next day.
- **BORDER CROSSING:** A rabies certificate is required to bring a dog into Canada and the USA. Government regulations require a valid Rabies Certificate dated at least 30 days prior to entry into Canada. Note that border crossings now involve more thorough inspection of vehicles, dogs and papers. Proof of citizenship is required for entry into Canada and return to the USA. Please carry proof of citizenship. At the test, **we can arrange for you to borrow a starter pistol** as it can be a problem to bring one across the border.

IF YOU HAVE TIME, PLEASE VISIT THE WINERY. THE WINERY OWNERS HAVE SUPPORTED OUR EVENT BY MAKING THE RANCH SITE AVAILABLE TO US. Information and [directions to the winery](#) follow.

MONTE CREEK RANCH

The owners of Monte Creek Ranch have generously given permission for Vizsla Canada to hold our event on their property. While we are confident everyone is excited about our event, we'd also recommend you take the opportunity to visit Monte Creek Ranch Winery's Tasting Room to sample some of their wonderful wines and perhaps enjoy a meal on their Terrace patio.

Both the Tasting Room and the Terrace offer spectacular views across the South Thompson River to the Lion's Head on the north side of the valley (worth the stop all on its own!).

Tasting Room open daily 10 am - 6 pm

Terrace open daily 11:30 am - 6 pm (unless it is raining)
