[2022 National Specialty Show – French Bulldog Fanciers of Canada](#)

“I was born and raised in Tulsa, Oklahoma, and after graduation from high school attended the University of Tulsa, where I earned a BS in Psychology. My first foray into dog breeding was at the age of twelve, when I registered a litter of champion sired Shetland Sheepdog puppies with AKC. While never achieving the goal of breeding a champion Sheltie, as a preteen I mastered the coat color inheritance of Shelties which provided a basis for my continued interest in genetics and study while at the University of Tulsa.

In the 1970’s I acquired a Rottweiler bitch, which was a breed that was quite rare at the time. The breed also had a grave problem with crippling hip dysplasia that caused far too many dogs to be put down due to unendurable pain. This crisis led to efforts to reduce the incidence of HD by x-raying breeding stock and removing affected animals from breeding programs. Personal experience that produced vastly improved outcomes of normal hips within the first generation proved to me that health testing was an essential tool at the disposal of ethical dog breeders.

The boom and bust oil economy of Tulsa necessitated more than one career change and at times interfered with breeding and showing dogs. But marriage to family friend Wayne Claybourne and acquisition of a French Bulldog forever changed my life. Utilizing knowledge acquired from my first two breeds, my first homebred puppy not only became a champion but also passed all her health tests and became the foundation bitch of Concharty.

Becoming a judge was a natural progression of my interest in dogs, and in 2006 I began judging an impressive lineup of assignments which included the opportunity to judge in other countries. My interest in genetics remained constant and was piqued by an apparent anomaly in the inheritance of cream color French Bulldogs when compared to accepted coat color inheritance theory. I was ultimately able to explain the mystery by looking at a gene in a new way, and this has implications for many breeds of dogs.

At a time when unethical color breeders are swamping the gene pools of many breeds not only with unaccepted colors, but colors that are likely a result of a cross with another breed, it is imperative that heritage breeders learn coat color inheritance theory. I hope that by sharing my knowledge of canine coat color that we, the ultimate stakeholders of purebred dogs, learn what is necessary to protect the integrity of our breeds and breed standards, and are able to provide accurate input to the registries we use.”

It is the responsibility of the Exhibitor to be familiar with the rules pertaining to the event in which they are competing. Copies of the Conformation Rule book are available from:
The CKC, 400 200 Ronson Dr., Etobicoke, ON M9W 5Z9 or online at www.ckc.ca

15.1 Championship Points

15.1.1 A dog awarded Winners at a confirmation show shall be credited with a number of championship points (ranging from 0 to 5) and the number of championship points credited to a dog awarded Winners shall be as provided hereunder
15.1.2 The schedule to be employed in the determination of the number of points awarded Winners shall be as follows:

DOGS COMPETING*	1	2	3 to 5	6 to 9	10 to 12	13 & More
POINTS AWARDED	0	1	2	3	4	5

*includes the dog awarded Winners

In counting the number of eligible dogs in competition, a dog that is disqualified, dismissed, excused or ordered from the ring by the judge shall not be included in the calculation for championship points.

15.1.3 If a dog awarded Winners is also awarded Best of Breed at the show, then all dogs competing in the breed, including Specials Only, shall be included in the total.

15.1.4 If a dog awarded Winners is also awarded Best of Opposite Sex to Best of Breed, then all dogs of the same sex including those competing for Specials Only shall be included in the total.

15.1.5 If a dog awarded Winners is also awarded Best of Winners, then all dogs defeated directly or indirectly in the breed shall be included in the total.

15.1.6 If a dog is awarded Winners only, then all the dogs of the same sex in the class competition shall be included in the total.

11 UNSPORTSMANLIKE CONDUCT

11.1 It shall be deemed unsportsmanlike conduct if a person during the running of or in connection with an event abuses or harasses a judge, show official or any other person present in any capacity at the event.

11.2 Any handler who displays unsportsmanlike conduct or who is seen to kick, strike or otherwise roughly handle a dog at any time during the holding of the event, may be expelled from the show by the Conformation Show Committee.

11.3 The judges shall also have the authority to expel a handler from a show if they observe unsportsmanlike conduct on the part of the handler or see the handler kicking, striking or otherwise roughly manhandling a dog while the event is in progress. It will be the duty of the judge to report promptly to the Conformation Show Committee the expulsion of a handler.

11.4 The Conformation Show Committee shall investigate, at once, any instance of alleged unsportsmanlike conduct on the part of the handler, or any report that a handler has been observed kicking, striking or otherwise roughly manhandling a dog. If the Conformation Show Committee, after investigation, determines that a handler is in violation of this section, and that the incident, if proven, would constitute conduct prejudicial to the sport or the CKC, it shall exercise its authority in accordance with the Complaints section of these rules.

12.4 Failure to Compete

12.4.1 Except for Puppy in Group or Show, an owner or handler shall be subject to disciplinary action for withholding a dog from competing for higher awards for which that dog is eligible. Any dog so withheld or absent will result in the cancellation of all awards won at that show (unless the dog is excused by the Show Superintendent).

12.4.2 Should a dog be marked absent in an official class, it may still compete in an unofficial or non-regular class at the same show.
