COVID NOTES:

You MUST respect physical distancing with EVERYONE. Please keep a distance of 6 feet/2 m when interacting with anyone outside of your household.

Masks are recommended if you are unable to keep a 6 foot/2 m distance. We will not be able to provide masks to exhibitors.

All competitors MUST bring 2 leashes, one for the releaser and one for the catcher. Please arrange your catcher and releaser prior to the day of the Tests. There will be no extra leashes or handlers available. The dog owner is responsible for ensuring that their second person is present at the event on time. We cannot wait for anyone.

If you have multiple dogs entered, the catcher MUST return the dog they just caught to the start line right away. If you have multiple dogs, you will need to have your car close to get dogs in and out FAST.

Your turns will come up very quickly. We can have no delays.

Washrooms are CLOSED, except for emergencies. Please plan for this. If you must use the washroom, proceed to the main check in area and follow the instructions. There will be no lunch provided, however the Upper Stewiacke CO-OP and Bev's Diner are open nearby.

There will be hand sanitizing stations at all main areas, however if you can, bring your own hand sanitizer.

You are responsible for bringing a pen, the signed COVID-19 event disclaimer, and the Competitor Record Sheet that was emailed to you (please give this to the person

catching your dog). There will be no extra copies on site. **You are responsible to convert your time and points** (info is on your record sheet) or download the rules from the CKC website at: <https://www.ckc.ca/en/Files/Forms/Shows-Trials/Event-Rules-Regulations/Sprinter-Rules-and-Regulations-Effective-January-1>

The event secretary will not be available to competitors at these Tests. All information will be sent to the CKC as required and the CKC will notify you of your titles earned. Final results and placements will be emailed to all competitors within 72 hours of the event completion.

Awards and Prizes: Qualifiers will receive flat ribbons. Rosettes will be provided for dogs achieving a title during these events.

You will need to crate your dog in your car. There will be no shade provided so please keep your dogs well ventilated in your cars by keeping windows open. Remember fresh water, and you must stay with your dogs at your vehicle. There can be no gathering in groups to spectate.

At the main check-in table, your dog will do the first lameness check and you will get a mark on your record sheet. The second dog lameness check will be done at the sprinter entrance gate after the first run is completed.

HOW TO RUN SPRINTER SAFELY IN THE COVID WORLD:

There are a number of changes to how this event will be run. **Please read this carefully.**

You will be emailed a number of documents before the event. You are responsible for reading the Handler Briefing and printing out the other three documents, and bringing a pen. You must print and sign your waiver and hand it in at check-in or you will not be allowed to participate in this event.

There will be:

- a written version of our usual Handler Briefing
- a Competitor Record Sheet
- a COVID-19 liability waiver and agreement
- a labelled map of the trial venue will be emailed to you. Please familiarize yourself with where everything is. We suggest printing the map.

On arrival for your scheduled time slot:

1. When you arrive, go to the main check-in station for the lameness and in-season inspection and have your card stickered. You will need to swab your bitch with Kleenex for in season check. Ideally, please bring a small amount of toilet roll with you to do so to minimize touching of our items.
2. Proceed directly to the start area with the dog, show the gate steward your marked record sheet and have your catcher proceed directly to the finish line with the record sheet and pen.
3. Once your dog runs and is caught, the catcher then will write down the dog's time from the timer (maintaining the 6 foot/2 m distance) and then proceed IMMEDIATELY with the dog to the start. The releaser and catcher can meet halfway to save time.
4. Catcher leaves dog with releaser and proceeds immediately to the finish line.
5. The dog then runs its second, and final, run for the day.
6. Once you have completed your two runs per dog, proceed immediately to your vehicle, as you MUST leave the Aqua Terra property so we can let the next heat in.
7. The club may opt to run through all dogs in the time slot, and then repeat for the second runs, instead of doing back to back.

You **must be** ready for your run or it will **be forfeited with no refund**. Due to COVID-19 and the scheduled time slots, we only have a limited amount of time to get everyone through safely.

Important Notes: This is a PRIVATE residence and we are grateful for the use of this location. Parking, potty, and exercise areas will all be designated. Please respect instructions, pick up after your dog, and always maintain control of your dog. Flexi-leads are not allowed on the field. Please bring everything you will need to keep your dog safe and comfortable for the weather. There is a risk of injury for all active sports; you can reduce this risk by ensuring your dog is in athletic condition, only running your dog when you feel the field and weather are appropriate and staying aware of your environment and any safety hazards. A \$10 fine, payable to ECSA, will be levied for any dog loose on the field from the time of inspection until the completion of all events for the day. A \$10 fine, payable to ECSA, will be levied for any exhibitor not picking up after

their dog. Events run rain or shine. Dogs may wear a snug fitting “catch” collar as long as there is nothing on it that can become entangled in the line. **Sprinter requires you to have someone catch/leash your dog at the end of the run. As described earlier, please arrange your catcher and releaser prior to the Tests.**

It is the responsibility of the exhibitor to be familiar with the rules pertaining to the event in which they are competing. Copies of the CKC Sprinter Test Regulations are available from the Canadian Kennel Club online or via mail. Tel: 1-800-250- 8040.

CKC Regulation: It shall be the duty and obligation of the trial giving club to see that a judge, club official, volunteer or any participant at an event held under these rules is not subject to indignities of any kind. The Field Trial Committee Chair shall promptly report to the CKC any infringement of this regulation, and the Discipline Committee shall have the authority to take such action as it deems fit on receipt of a report indicating that this has occurred.

Eligibility: Purebred or mixed-breed dogs must be at least 12 months of age that are: (a) Individually registered with the CKC, (b) Have an Event Registration Number (ERN), (c) Have a Performance Event Number (PEN), (d) Eligible for registration with the CKC, or (e) Have a Miscellaneous Certificate Number (MCN) if it belongs to a CKC listed breed (f) Have a Canine Companion number (CCN) if it is a mixed-breed.

Bitches in Season: Bitches in season shall not be eligible to enter the test.

Awards and Prizes: Qualifiers will receive flat ribbons. Rosettes will be provided for dogs achieving a title during these events.

a) A non-member participation fee will be charged to a resident of Canada who is a non-member of the CKC. The fee will be \$59.40, plus applicable taxes. b) The non-member participation fee is paid in any year a title is earned and covers all titles and dogs owned by that individual. c) In order for the title to be awarded, the non-member will have a choice to either become a CKC member or pay the non-member participation fee. Failure to comply within 30 days of notification will result in the title being withheld. d) The fee applies only to dogs wholly owned by non-member residents of Canada and is not applicable to CKC members.

EVENT REGISTRATION NUMBER (ERN)

Effective January 1, 1992, all dogs that are foreign born and foreign owned and enter Canada for the sole purpose of entering CKC events will no longer require a CKC registration number but will require an Event Registration Number (ERN). This ERN does not register a dog for breeding purposes as defined in the Animal Pedigree Act, but rather enables a foreign-owned dog to be awarded titles by the Canadian Kennel Club. Each dog must have its own number. To obtain an ERN, mail or fax a photocopy of the dog's foreign registration certificate with a cheque or VISA/MasterCard number (expiry date, cardholder's name and signature). Provide your complete address for return of the ERN to you. Cost is \$59.40, plus taxes.

These events are open to mixed and unrecognized breeds. In order to compete, mixed and unrecognized breed dogs must have a Canine Companion Number (CCN) from the Canadian Kennel Club and must have a CKC-approved microchip. Mixed-breed dogs must be spayed or neutered. Unrecognized breed dogs do not need to be spayed or neutered. A dog eligible for a CCN may not be entered as a listed dog. If a dog is not registered individually in the CKC

studbook it may be entered as a listed dog per CKC rules for this designation, as of July 1, 2018; exhibitors must apply to the CKC for “temporary competition number (TCN), before event closing date”. Event rulebooks and application forms for the CCN, ERN and Non-Member Participation Fee are available on the CKC website. Assumption of the Risk and Waiver of Liability Relating to Coronavirus/COVID-19

The novel coronavirus, COVID-19, has been declared a worldwide pandemic by the World Health Organization. COVID-19 is extremely contagious and is believed to spread mainly from person-to-person contact. As a result, federal, provincial, and local governments and federal and provincial health agencies recommend social distancing and have, in many locations, prohibited the congregation of groups of people.

East Coast Sighthound Association and Aqua Terra Kennels have put in place preventative measures to reduce the spread of COVID-19; however, ECSA/ATK cannot guarantee

that you will not become infected with COVID-19. ECSA/ATK has outlined all of this information and sent it to all participants, volunteers and staff who will be attending this event. Further, attending ECSA/ATK events could increase your risk of contracting COVID-19.

By signing this agreement, I acknowledge the contagious nature of COVID-19 and voluntarily assume the risk that I may be exposed to or infected by COVID-19 by attending the ECSA/ATK event and that such exposure or infection may result in personal injury, illness, permanent disability, and death. I understand that the risk of becoming exposed to or infected by COVID-19 at the ECSA/ATK event may result from the actions, omissions, or negligence of myself and others, including, but not limited to, club employees, volunteers, and program participants and their families.

I voluntarily agree to assume all of the foregoing risks and accept sole responsibility for any injury to myself (including, but not limited to, personal injury, disability, and death), illness, damage, loss, claim, liability, or expense, of any kind, that I may experience or incur in connection with my attendance at this event or participation in this event programming ("Claims"). On my behalf, I hereby release, covenant not to sue, discharge, and hold harmless ECSA/ATK its employees, agents, and representatives of and from the Claims, including all liabilities, claims, actions, damages, costs or expenses of any kind arising out of or relating thereto. I understand and agree that this release includes any Claims based on the actions, omissions, or negligence of the ECSA/ATK its employees, officiating judges, agents, and representatives, whether a COVID-19 infection occurs before, during, or after participation in any ECSA/ATK program.

In consideration for being allowed to attend, I agree to indemnify and hold harmless the ECSA/ATK and the CKC from all liability or claims of any nature by myself, my guests and family members. By signing this form I also confirm that I have read and will follow all of the ECSA/ATK rules and COVID-19 safety measures and that I will ensure anyone that accompanies me to this event will abide by these rules/safety measures as well.
