235 Elevator Rd, Trochu**

If you have complaints or compliments please bring them to a club executive member. We will identify this person for you at the event.

There will be a limited concession available at the event. Sorry there will be no special dietary options available (ie Gluten free, vegetarian)

Please bring what you need for you *and* your dog. (water, and shade / rain gear)

Inspection for **Sprinters** Saturday: 9:00 - 10:00 AM MDT
second sprinter inspection to directly follow the completion of the first sprinter event.
Inspection for **CAPS** Saturday: Following Lunch
Inspection for **CAPS** Sunday: 9:00 - 9:30 AM MDT
Inspection for **Sprinters** Sunday: Following Lunch
second sprinter inspection to directly follow the completion of the first sprinter event.

If you are not present for roll call; your dog will not be permitted to run!
The inspection committee has final determination of fitness to run.

Running order: Make sure you bring a copy of the running order with you. This has also been sent to your email via Dogshow.ca. The running order will be finalised with inspection so be aware of potential scratches. A Paddock Master will call dogs to the line. It is your responsibility to know when your dog is up. Please come to the start line in a timely fashion, if you are not there we will skip your dog.

There will be no reruns for no-shows.

Dogs as athletes: Remember that this can be a physically demanding event. We hope that your dog received the appropriate training before participating in the event. Remember to exercise your dog before and after each run. (dogs can pee out excess lactic acid which causes muscle cramps after exerting themselves).

The line can cause nasty rope burns, check for line burns on your dog between runs.

Times & Points: Please take the time to verify that your points and time have been recorded before leaving the event. Additionally please make sure that if there is an adjustment made on the field that you follow up and check the posted results when they are made available.

Turning time into points for sprinter: 360 divided by the time, multiplied by the handicap = points.

Results will be posted as soon as possible following the event. Past event results for sprinters can be found in the pink binder available at the event

Loose dogs: Only the competing dog may be off leash on the field. A fee of \$10 per occurrence will be charged at the time of offence for accidental escapees.

Off leash training of your dog is **NOT** permitted at the event. Any dog off leash when it is not their turn running will be EXCUSED with no refund.

** Note- this does not include an accidental escapee

[We will have a designated "off leash area" at this venue.](#)

Dog poop: PLEASE pick-up behind your dog. **Do NOT** discard poop bags in the port-o-johns or into gopher holes!

Collars and lead: There will be ZERO tolerance for the use of flexi leads, pinch/prong, or shock collars

From the rule book:

Dogs may wear a collar except choker collars, a collar with prongs or an electronic training collar. The collar should be snug to minimize the chances of catching on something during the run. Clubs may, at their option, require that tags hanging from the collar be taped up. Owners may have their dog wear a muzzle if they desire. Owners may use clips or rubber bands to hold the dog's hair. The owner assumes responsibility for the safety of the dog with regard to the dog's collar and paraphernalia on the dog.
