CKC Conformation Judging Rule Changes for COVID

MOTION:

“THAT, the following be in place to allow clubs flexibility with their judging panels due to government COVID-19 regulations when every reasonable effort has been made to fulfill the judging panel with licensed or permit judges.

This is a temporary alteration to normal judge approval practices.

Exceptions will be permitted under the following circumstances where local guidelines limits the choice of judges to a region and no judges are available.

This includes circumstances where the guidelines change prior to the beginning of the show where judges can no longer officiate.

The club may obtain Shows & Trials Approval to allow permit judges to judge beyond their approved groups.

The club may also seek Shows and Trials approval to select as a Judge a CKC member who must meet the following criteria:

- 1) Has attended Judges 101 course
- 2) Has a minimum of 10 years experience as an exhibitor or handler
- 3) Has acted as a Ring steward within the past 3 years
- 4) The breeds and/or groups to be judged should be aligned to their breeding or handling experience.

In the unlikely event that there is no individual who meets the above criteria, the club will be required to provide a short biography of the selected person to Shows and Trials for consideration. These assignments will not count towards any future credit for assignments.

CKC Obedience and Rally Rule Changes for COVID

(Copied directly from CKC Covid guidelines)

Clubs will follow all Federal, Provincial and local health rules when holding a trial and the protocol will be detailed in the Premium List. Judges, officials, and handlers will abide by the rules specified.

The following are allowable temporary changes to the Obedience Rules and Regulations that a club may opt to use during their event while operating under COVID restrictions. However, any other changes to any other rule not mentioned here will not be allowed.

- Judges may wear a mask even if not required by the club**
 - The chair or table where the leash and other equipment is to be placed should be located at a convenient place determined by the judge but can be located in the ring or if not appropriate, just outside of the ring such that the handler can obtain the item without leaving the ring**
 - If a chair or table or any other surface is used to hold leashes, dumbbells, gloves or any other equipment owned by the handler, that surface must be sanitized immediately after use. Paper can be placed on the surface if sanitizing is not done but that paper must be removed immediately after use, disposed of appropriately and replaced ready for the next exhibitor**
 - If a re-throw of the dumbbell is required, the handler should be allowed to ask the dog to stay and the handler will go and pick up the dumbbell and return to where the dog was left. If the dog moves during this process, it will not be judged unless it is out of control**
 - For the article exercise in Utility, the handler can retrieve the articles to be scented from the article bag and put them on the 'article' chair**
 - Score sheets should not be given out to competitors in the ring, but the club may pass the scoresheet information on to the competitors electronically or some other 'touch free' means**
 - In the Rally Advanced Class, the handler can put the leash in their pocket or hang it around the neck as in the Pre-Novice recall**
 - The exhibitor may either leave the dog on a sit stay or heel with the dog to the location of the chair to both obtain and return their leash and articles used during the exercises.**
 - It is recommended that the club publish either in the premium list or judging schedule or both, the modified rules that it is adopting for their event.**

“ We operate a small “ hobby “ kennel – raising purebred Shetland Sheepdogs and of course our back yard gets well used with the dogs – as well as ourselves .We usually keep around 6 to 8 adult dogs in our small kennel , along with a litter of puppies about once a year – so the lawn gets ”well used” to say the least. When we were introduced to the EZ CLEAN BIO ENZYME product – it was truly wonderful . This product , when used as directed ,totally eradicates odors from the grass. We have also found the product very useful in the house to “totally” remove pet stains due to the occasional accident in the house on carpets and floors- leaving no odor from the residue. The slogan “dirtier the better” is so true – it cleans everything!!- leaving behind a nice pleasant smell.”
