**Rally Class Description**

For a complete description of the Rally rules & regulations, rules of performance, scoring standards, explanation of exercises (including Primary and Secondary Elements), course design, etc., go to [www.rallydogs.com](http://www.rallydogs.com) and click on Official Regulations. To learn more and get new ideas, you can join the "All Dogs" Rally chat list and talk to other World Cynosport Rally Limited enthusiasts by sending a message to [RallyO-All-Dogs-subscribe@yahoogroups.com](mailto:RallyO-All-Dogs-subscribe@yahoogroups.com).

You must be familiar with all the Rally exercise signs, as well as the Official Rules & Regulations prior to the event. Go to [www.rallydogs.com](http://www.rallydogs.com) for an explanation of each of the exercise signs and have fun practicing them with your dog.

**A and B Classes**

"A" classes are for dogs that have NOT earned the base level title for that level (i.e., RL1, RL2, RL3, RLV).

"B" classes are for dogs that have completed that base level title for that level.

### Food and Touch Rewards

Rewards of food and touch may be given in all classes following the conclusion of any stationary exercise, except when performing shared stations, in which the reward may only be given at the conclusion of the final stationary exercise of a shared station. Handler's delivery of the reward must be completed before the team moves forward on the course to the next exercise. Use of the reward to induce a desired behavior is considered luring and is prohibited. Rewards may be given in the ring before beginning and after completion of the course performance. A handler shall not otherwise feed or touch their dog during the course performance. Please see the Official Rules & Regulations for more details on the rules for rewards.

### Bonus Exercise

A Bonus is an exercise through which additional points may be earned. A bonus exercise is offered on all courses in the regular classes, and it shall be clearly marked with a "Bonus" placard. The bonus exercise shall be in course sequence, at judge's discretion, and shall be performed in the normal flow of the timed course at handler's option.

The following rules shall apply for all bonus exercises, whether the bonus exercise has one or two signs: If the bonus exercise is attempted, 10 bonus points are awarded, with point deductions assessed for incorrect performance of the exercise; point deductions on the bonus shall not exceed 10 points. The bonus exercise may be retried one time. If the bonus exercise results in a change of direction, the handler shall perform an additional basic turn as needed following the bonus in order to continue to the next station. If the team opts to bypass the bonus, the team shall heel by the bonus station to the next station; there is no penalty for bypassing the bonus.

Please see the Official Rules & Regulations for details on the bonus exercise, including the list of exercises from which the bonus is selected for each class.

### Jump Heights

Dogs are not required to be measured the day of the trial or prior to judging. However, judges have the option to measure any dog prior to his/her performance if the dog appears to be entered in a group lower than might be indicated by his/her registered shoulder height. Jump heights may also be modified or the jump exercise excused entirely based on physical challenges (e.g. age, disability such as blindness, or use of a mobility device) that a particular dog may face.

The following table shows the recommended and minimum allowable jump heights based upon the dog's height at the withers. The selected jump height shall be indicated on the Entry Form. The "minimum allowable jump height" for each height category is the minimum height permitted without a Request for Modification being made. A handler may select a higher height at their sole discretion, but must have designated the height on the entry form.

Height at Withers	Minimum Allowable Jump Height	Recommended Jump Height
12" or less	4"	4"
16" or less	4"	8"
20" or less	8"	12"
Over 20"	12"	16"

### Time Standards

Each course in all classes has a Maximum Course Time or "MCT". Should this limitation be reached, the course performance is over and the team's score will be marked zero. The following table sets forth the MCT for each class:

	Level 1	Level 2	Level 3
MCT	3:00.00 minutes (180 seconds)	3:30.00 minutes (210 seconds)	4:00.00 minutes (240 seconds)

## Notice to Competitors

Competitors, through submission of entry, acknowledge that they are knowledgeable of WCRL Official Rules & Regulations (see [www.rallydogs.com](http://www.rallydogs.com)), including but not limited to the following rules regarding entry:

- This trial is open to a dog at least six months of age, including purebred and non-purebred, except bitches in season (unless specifically allowed by trial host by announcement in this premium) or dogs with disabilities, injuries, or illnesses which may cause the dog pain or great discomfort, or dogs exhibiting signs of aggression that threaten the safety of other dogs or humans.
- In the event a dog's or competitor's disabilities prevent the team from performing a course or exercise as described, the competitor shall obtain a Request for Modification form ("RFM") from the Trial Host, completing the form with a written description of how the competitor intends to perform the course or its exercises that must be modified to accommodate the dog's or competitor's particular disability. The form must be submitted to the judge prior to the start of the class, and the modified performance shall approximate as closely as possible the original course and its exercises.
- All dogs shall be shown in a flat buckle or snap collar, plain harness, or properly fitted limited slip (Martingale) collar. No choke collars, prong collars, shock collars, slip collars, one-piece collar/leash (e.g., Martingale leash) or slip leashes, all metal leashes or collars, no-pull harnesses, or head collars are allowed.
- All dogs must be registered with World Cynosport Rally Limited or United States Dog Agility Association, Inc. on the day of competition. See [www.rallydogs.com](http://www.rallydogs.com) to register online, or complete the "Dog and Junior Handler Registration" form included in this premium list and submit it to the WCRL office as indicated at the bottom of the form.

- The organizing committee may refuse any entry for any reason.
- THERE SHALL BE NO REFUND for entries withdrawn after the closing date or in the event a dog and/or competitor are dismissed from competition, regardless of reason for such dismissal. A dog or competitor who suffers an injury and/or illness or bitches that come into season after the closing date may be eligible for a 50% refund of their total entry fee. Written request for refund must be made to the Trial Secretary BEFORE the end of the event. Please provide documentation from your veterinarian/physician. There will be no refunds if the trial has to be cancelled for any reason.
- Returned checks do not constitute a valid entry. There will be a **\$75.00** service charge for returned checks. Payment of entry fees and service charges shall be made in cash or money order within 30 days of postmark of notice of returned check where notification is received after event date. Any unpaid fees or shortfalls must be paid prior to the start of the event or entry is cancelled without recourse by owner/competitor.
- No entry fees will be refunded if the trial cannot open or be completed by reason of riots, civil disturbances, fire, Act of God, public emergency, act of a public enemy, strike, or any other cause beyond the control of the organizers.
- All competitors through entry at this event grant to World Cynosport Rally Limited, their representatives, agents, and assigns, all rights and permissions to use or appropriate my and the dog's name, biography, likeness, photograph, voice, performing persona, or other indicia or identity for broadcast, telecast, cablecast, transmission, or distribution in any format or media now known or hereafter to become known and waive any and all rights relative thereto.
- All competitors through entry at this event grant to World Cynosport Rally Limited, their representatives, agents, and assigns, hereby release WCRL, the hosting club, their representatives, agents, and assigns from any claim or cause of action for invasion of the rights of privacy, right of personality, or any similar right.

- Upon successful completion of a Stationary exercise, the owner may choose to briefly pet or touch the dog as a reward. The owner may also choose to give the dog food as a reward. Food may NOT be used as a lure to help the dog complete an exercise. Food rewards must be contained in pockets and only be present in the owner's hand at the completion of any Stationary exercise. Any petting, touching, or feeding that significantly interrupts the flow of performance shall be scored accordingly. Rewards may be given in the ring before beginning and after completion of the course performance. See the Official Rules & Regulations for more details, including rewarding in Shared Stations.
- Dogs must remain under control at all times whether on or off leash while on trial site grounds. Day kenneling only is permitted.
- Please pick up after your dog and yourself.
