

RESERVED GROOMING

The number of reserved grooming spaces around the outside ring(s) is limited.

Reserved grooming spots are \$30

They will be a maximum of 10'x10' and they will be flagged and designated per exhibitor. Spaces will be allocated on a first-come/first-serve pre-paid basis. There is no electrical power. Quiet generators are allowed, placed well to the back of your ringside grooming tent.

There will be no grooming inside the building if we have a ring indoors.

There will be a designated, no charge, area for grooming tent set-up. The boundaries will be flagged. Spaces are first come first serve after the designated exhibitor set-up time is stipulated in the judging schedule information. Neighbour courtesy must be considered if using generators in this area.
