BORDER TERRIER CANADA ROOM RESPONSIBILITY POLICY

(Adapted With Permission From The Border Terrier Club Of America Room Policy)

Border Terrier Canada (BTC) has adopted the following rules in order to insure that its members and their dogs will be welcome at hotels in the future:

Any individual attending a Border Terrier Canada (BTC) sanctioned event and staying in a hotel, motel, inn or campsite/fairground has the responsibility of leaving that room or campsite exactly as found. This includes picking up after dog(s) on the grounds. Anyone who damages a room or campsite/fairground and does not report the damage to the hotel/campsite/fairground management, and make immediate restitution or arrangements to do so within a period of time agreed upon by the management, will be subject to any or all of the following actions by the BTC Board of Directors.

1. May be banned from showing at the next BTC sanctioned event(s).
2. May be subject to CKC sanctions.
3. Membership in the BTC may be terminated and may not be allowed to be reinstated. Damages shall be defined as:
 1. Flea infestation, urine, defecation and/or any damage to hotel/campsite/fairground property (walls, bedspreads, carpets, drapes, etc.).
 2. Any verified complaint by the host hotel/campsite/fairground.
 3. Any verified complaint by a BTC member.

BTC Room Regulations:

1. All dogs shall be crated and quiet when left alone in a room. Noisy dogs shall be quieted upon request, even if this means the owner/handler must stay in the room with the dog.
2. Individuals will be expected to immediately report any damage by dogs or themselves to the hotel or campsite/fairground management, and to assume complete financial responsibility for those damages.
3. No bathing or grooming will be allowed in rooms. A grooming room will be available whenever possible.
4. Dogs are to be allowed on hotel furniture/beds ONLY if the furniture is covered with protective covering provided by the owner/handler.
5. All owners/handlers will take preventative measures to assure that their dogs are free of fleas, mites, intestinal parasites and other communicable diseases prior to arriving at the hotel/campsite.
