- Muzzles and catch collars may be used at the handler's discretion.
- No Flexi-leads, or prong or electronic collars allowed.
- A \$10 fine will be assessed for loose dogs on the field after roll call and until after the last course.
- Bring your own water and shade.
- Please clean up after yourselves and your dogs. Do not stuff plastic bags down holes or in the port-a-potty.
- Foreign born and foreign owned dogs may compete with an Event Registration Number (ERN). This must be obtained within 30 days of obtaining points, awards or scores to avoid cancellation and can be obtained by submitting a copy of your foreign certificate of registration and a fee of \$63.90 with a letter of request to the CKC. This ERN replaces a CKC individual registration number for American Owned dogs entering events only and is not subject to taxes.

  - A TCN must be obtained before submitting an entry for an event.
- CKC TCN Fee of \$0.00 per dog is payable for each dog that does NOT have a CKC Registration Number, Performance Event Number or Event Registration Number. This \$0.00 is in addition to the regular class entry fee.
- NCHCA appreciates everyone's co-operation in keeping or site clean. There will be a \$10 fine for anyone caught not cleaning up after your hound.
- There will also be a \$10 fine for any loose dog interfering with a course in progress.
- Participants to use the portable-toilet with sink on the field.
- Please take your garbage with you.

## VOLUNTEERING

Please consider volunteering at NCHCa's events

NCHCA is run by a few members and we are always looking for volunteers to help out. You can make a difference, even if you can spare a short amount of time each trial.

- **Field Setup:** Come early (one hour before roll call) and start learning by carrying equipment. Eventually you will learn how to place pulleys and tie downs, how the field is set up and how the machine works.
- **Field Clerk:** Sit on the field with the judges, and shadow the field clerk. Learn how scores are tabulated and recorded. You will learn how judges score the dogs. It's a whole new perspective on coursing.
- **Huntmaster:** Bring a knife! Have you wondered, how are those bags tied on or how do you tie a broken line? Shadow one of our huntmasters to learn.
- **Runner:** Volunteer to get the paperwork from the field clerk to the field trial secretary after each breed. This will get the scores posted more quickly.
- **Lure Operator:** Talk to the lure operator between courses. If you're interested, try running the lure around before the trial, at lunch, or after the trial at practice.
- **Practice:** Grab the practice list, call the dogs and collect the money. Volunteers have worked all day — this is a great way to give them a break.
- **Fundraising:** NCHCA is a not for profit club and we rely on fundraising as a way to provide our events each year. Organize and run a fundraiser (a 50/50 draw, raffle, silent auction) at one our events to help.

**THANK YOU FOR VOLUNTEERING AND SUPPORTING  
NORFOLK COUNTY HOUND CLUB ASSOCIATION.**
