### **COVID Hunt Test Information**

**These guidelines may be altered or amended before the test, as per current AHS recommendations.**

- All handlers will be notified to go directly to the site of their stake and avoid all congregating in central areas. Parking - Please leave more space between your vehicles, within reason or as directed from the Marshal at each stake.
- Social distancing practices will be in place. Be mindful when speaking with others. Don't be offended if someone reminds you to step back!
- While the test dog is running, please be very conscious of not crowding the line. Individually, you can come up to the running line to look at the test. Please wait your turn and do not move to the line until the previous person is over 2 meters away.
- All participants need to bring ALL their own supplies, which includes food and drinks. Bring your own water and soap for hand washing and your own hand sanitizer and disinfecting wipes. We will have some hand sanitizer and wipes on the grounds, but people should also plan to provide for themselves.
- Remove all your garbage from the grounds. There will NOT be garbage bins available.
- Bring your own duck call and whistle. We will NOT supply them and absolutely no sharing.
- You will be required to place the bird in the bucket and/or on the drying rack. Judges will NOT be required to take the bird from the handler. If the judge needs to check a bird, they will do so after the handler has left the line.
- Bring your own mask and gloves (if you choose to wear them). If handlers choose to wear rubber gloves to the line, they must dispose of the gloves after leaving the line and put on new gloves with each ensuing series. If handlers choose to wear a mask to the line, they cannot touch the mask to move it up or down to use their whistle. This is equivalent to touching their face/mouth and MUST sanitize their hands immediately.
- There will be a designated area for the gallery. Please maintain the 2 meters distance from anyone who is not in your household or in your social bubble.
- There will be only one port-a-podi available and located at headquarters. Supplies will be located by the port-a-podi for sanitizing. Please follow the guidelines that will be posted.
- If you have any questions, they must be directed to the Marshal. Please do not come to talk to the judges at the line.
- If possible, only the handler of the dog should attend the event. This helps to keep attendance numbers low and reduce the risk.
- A hand hygiene sanitizer will be set up at each stake between the last holding blind and the line. The station will include a hand pump bottle of hand sanitizer.
