COVID-19 RULES AND PROCEDURES

The Alberta Lure Coursing Association is excited about taking on the challenge of holding CKC Events during this 2020 pandemic. We are absolutely committed to offering you a safe event and will follow Alberta Government guidelines regarding gathering limits, physical distancing, temperature testing and the wearing of face masks.

IMPORTANT: Please read and agree to all rules and guidelines regarding this event. By submitting entries to these events you are declaring that you agree to the following strictly enforced rules and regulations. Please do not enter if you have personal or political reasons for not respecting what we must do to abide by the Alberta Government Covid-19 protocol to keep us all safe.

PRE-SCREENING: All exhibitors, volunteers, ALCA members, and judges will be subject to a pre-screening survey and temperature check using a non-contact forehead thermometer at check-in before being allowed on the grounds. The survey is verbal in nature and we will NOT collect or record any personal information. We reserve the right to deny access to anyone without proof of entry of an exhibit. All exhibitors will be required to check in at the gate and proof of entry may be required to enter – please print and bring your receipts!

PARKING & EXHIBITOR BENCHING: Parking will be designated in accordance with social distancing guidelines and will be assigned as you arrive. Please inform the Event Trial Secretary by Closing Date if you have mobility issues that require special parking arrangements. Exhibitor benching will be at the vehicle parking site. Pop-Up tents may be set up in your space if needed. Because of Covid-19 Safety Rules - Exhibitors are requested to be self-sufficient while on the grounds. We will not be offering a concession; however, we will be having a pizza lunch on Saturday and Sunday. Caterers will serve food on disposable plates and will meet Covid requirements. Seating will be ‘bring your own’ and social distancing will be required.

MASKS: This is an outdoor event. Masks are required 100% of the time in the Event Trial Secretary’s area, at the line when your dog is running, and in the pizza lineup. Masks are strongly encouraged at all other times **REGARDLESS** if you can or cannot social distance. We request that you bring your own mask, however, masks are available at the venue.

SOCIAL DISTANCING: Social Distancing must be diligently practiced, and all exhibitors will follow the direction of ALCA volunteers, Event Trial Secretary, Event Chair at all times. Accomplishments are exciting but please ... no hugs or high-5 celebrations outside your bubble!

HANDLERS BRIEFING: Social distancing & Mask protocols are mandatory. Dogs to be gaited to check for soundness and adequacy of equipment for Event Committee without breaching the social distance guidelines. ALCA will provide tissues and designated waste receptacle so that owners can swab females to demonstrate that they are not in season.

HAND HYGIENE: Hand sanitizer will be available to exhibitors and volunteers throughout the grounds – **PLEASE USE THEM REGULARLY.**

BE SELF SUFFICIENT: Please remember to bring personal face coverings, hand sanitizer, gloves, cleaning wipes, etc. for your own personal use.

VOLUNTEERING: Hosting this event in these times will require additional volunteers. We have designated running orders so that everyone can take a shift volunteering to keep our venue safe and to ensure that Covid Protocols are maintained. We appreciate all volunteers – it takes a community to keep us all safe.

THERE WILL BE A ZERO TOLLERANCE POLICY ON COVID-19 VIOLATIONS, INCLUDING NOT WEARING A MASK OR NOT SOCIAL DISTANCING WHEN IT IS POSSIBLE. DEPENDING ON THE LEVEL OF THE VIOLATION, YOU MAY GET A FRIENDLY REMINDER OR YOU MAY BE ASKED TO PACK YOUR STUFF AND LEAVE IMMEDIATELY. ENTER THIS EVENT AT YOUR OWN RISK
We ask all our Volunteers and Exhibitors to make their own health and safety a priority. **NO ONE** who is feeling ill, or showing signs of illness, or who has been exposed to someone who is ill should be attending this show or going out in public. Anyone with a probable case of illness shall utilize the on-line assessment tools and health link services to determine their risk and necessary precautions. **AGAIN - Please be DILIGENT – DO NOT** attend this event if (in the last 14 days before the show date):

- You have traveled outside of Canada

WHAT IS THE CHASE ABILITY PROGRAM (CAP) TEST?

This exciting event, developed after the ever-popular Lure Coursing, allows dogs to uncover their natural prey drive through chasing a lure - all while having lots of fun. The Chase Ability Test also provides purebreds and mixed-breeds with the opportunity to compete and earn multiple titles and certificates in a field event that all dogs are capable of performing.

Two types of courses will be available: one for dogs shorter than 12 inches at the withers or brachycephalic dogs and another course for the remainder of the dogs entered. The Chase Ability program is a pass/fail event. How does your Dog earn a Pass? A dog must run alone, chasing the lure and complete the course with enthusiasm and without interruption.

ELIGIBLE PARTICIPANTS

Chase Ability Program participation is open to all purebred and mixed-breed dogs at least 12 months of age that are:

- individually registered with the CKC, or
- have an Event Registration Number (ERN), or
- have a Performance Event Number (PEN), or
- are eligible for registration with the CKC, or
- have a Miscellaneous Certificate Number (MCN) if it belongs to a CKC listed breed, or
- have a Canine Companion Number (CCN) if it's a mixed breed.

The CAP is an athletic pursuit that requires your dog to be in very good condition. Your dog relies on you to ensure this. Females in season may not compete.

If in the opinion of the Test Committee, any entry is found to be lame, unfit to compete or a female in season, it shall not be allowed to compete and the entry fees shall be refunded.

TITLES

There are three titles dogs may earn doing the Chase Ability Program. They are:

Chase Ability (CA)

awarded to a dog that passes the Chase Ability event three times under at least two different judges

Chase Ability Excellent (CAX)

awarded to a dog that passes the Chase Ability event a total of ten times (CA + 7 additional passes)

Chase Ability Excellent 2 (CAX 2)

awarded to a dog that passes the Chase Ability event a total of 20 times (CAX + 10). For every further 10 passes the dog may add a higher number after the CAX (CAX 3, CAX 4, etc.)

COURSE LENGTHS OFFERED

300 yards: For dogs shorter than 12 inches at the withers and/or brachycephalic (flat-faced) dogs.

600 yards: For all dogs not eligible to run the short distance.

WHAT IS THE SPRINTER EVENT?

The SPRINTER EVENT was launched by the Canadian Kennel Club on July 1, 2018. The Sprinter is a fun event open to all dogs to enjoy the challenge of running a 100 meter dash. All dogs entered will receive a handicap score based on their height, and their time to finish will be converted to kilometers per hour. Titles are awarded upon the dog accumulating a given number of points.

ELIGIBLE PARTICIPANTS

SPRINTER EVENT participation is open to all purebred and mixed-breed dogs at least 12 months of age that are:

- individually registered with the CKC, or
- have an Event Registration Number (ERN), or
- have a Performance Event Number (PEN), or
- are eligible for registration with the CKC, or
- have a Miscellaneous Certificate Number (MCN) if it belongs to a CKC listed breed, or
- have a Canine Companion Number (CCN) if it's a mixed breed.

Sprinters are an athletic pursuit that requires your dog to be in very good condition. Your dog relies on you to ensure this. Females in season may not compete. If in the opinion of the Test Committee, any entry is found to be lame, unfit to compete or a female in season, it shall not be allowed to compete and the entry fees shall be refunded.

YOUR TEAM

CKC rules state that *'It is recommended that an owner or someone familiar with the dog stand at the finish in order to catch the dog once the course has been completed.'* ALCA would like to reinforce this recommendation. Please find a 'buddy catcher' to support your team.

EARNING POINTS

The dog's time to complete the 100 meter dash is converted into Kilometers Per Hour (KPH). A handicap system is applied to a dog's KPH to determine the number of points earned. The handicap system is based on the height of the dog at its withers:

- (a) 18" or greater - handicap is 1.25.
- (b) 12" up to less than 18" - handicap is 1.5.
- (c) Below 12" - handicap is 2.0.

Points - KPH multiplied by the dog's handicap. For example 20 KPH x 1.5 = 30 points. Points are rounded to the nearest whole number.

TITLES

There are four titles dogs may earn doing the Sprinter event. They are:

Novice Sprinter (NS)

awarded to a dog that earns 150 points

Sprinter (S)

awarded to a dog that earns 500 points

Advanced Sprinter (AS)

awarded to a dog that earns 1000 points

Sprinter Excellent (SX)

awarded to a dog that earns 1500 points

Sprinter Excellent 2 (SX2)

awarded to a dog that earns 2000 points. For each additional 500 points the dog may add a higher number after the SX (SX3, SX4, etc.)

AWARDS

A qualifying ribbon will be awarded to each dog that achieves a score.

A rosette will be awarded to each dog that achieves a CKC Sprinter title.
