

Newfoundland (All-Breed) Kennel Club

Scent Detection

Saturday May 4th & Sunday May 5th 2024

JUDGING SCHEDULE

Newfoundland Athletic Dog Association

10 Pearl Place

St. John's NL

A1E 4P3

Important Information

- Doors will open at 8am both days. Please do not arrive before 8am as someone will be directing parking to optimize space.

- Registration will begin at 8:30am. General briefing will begin at 8:45am, followed immediately by the handler briefing for the Instinct class. First dog on the line at 9am.

- Change over between dogs will be very quick! We will have ring stewards both inside and outside the building to assist in rotating dogs thru as efficiently as possible. For us to stay on time, it is important that everyone know where their dog is in the running order and ensures they and their dog are prepared and ready to go when the ring steward calls you in.

- Outdoor shoes are not permitted past the porch inside the facility, so you will either need indoor shoes which are easy to slip on (slippers, flip flops, crocs, etc.) or be prepared to run in your socks. Likewise, outdoors shoes should be easy to slip on as we will not have time for handlers to stop and tie shoelaces on their way out of the building.

- Dogs entered in both Container & Interior in the same level will run back-to-back. After your dog completes their Container search, you will immediately move over to begin your Interior search.

- If you are moving up on Sunday, please make sure you pass your Move Up form into the trial secretary before you leave on Saturday.

- Your armband number can be found in your confirmation email.

- Sunday schedule is very tentative based on current entries. Move ups are likely to drastically change this schedule. We will send out an updated Sunday schedule as soon as possible after the Saturday trial.

- It is of extreme importance that everyone is vigilant about ensuring their dogs are not peeing or pooping inside the building, nor against the outside of the building or too close to any entrances. Easy way to remember is to not allow your dog to pee on anything "man-made." If you see any poop, please pick it up, even if it's not yours – in Agility we call this "Adopt-a-Poop!" These issues are the #1 reason that clubs lose access to these facilities. Anyone seen not picking up poop or allowing their dog to pee on the building or near the entrances may be ejected from the trial without refund and have their future entries rejected. There are tons of green spaces away from the building for potty breaks.
